

A+B Mod. ACO-3 (1125-823113)

Control type
konventionell

Machine no.
1125-823113

Make
A+B

Location
48683 Ahaus

** MADE IN GERMANY **

Furnishing :

- robust electric motor belt sander
- strong drive motor
- including sanding belt
- including workpiece stop
- manually adjustable deflection pulley
- Machine base
- Connection cable + plug
- Instruction manual in German

Machine attributes

width of the strips:	300 mm
band length:	2070 mm
band speed:	7.0 m/sec
surface of working table:	750 x 380 mm
diameter:	87.7 Führungsrollen mm
engine output:	1.5 kW
total power requirement:	400 Volt
weight of the machine ca.:	88.0 kg.
range L-W-H:	1050 x 600 x 400 mm
