

A+B Mod. ACO-45 (1125-823114)

Control type
konventionell

Machine no.
1125-823114

Make
A+B

Location
Ahaus

** MADE IN GERMANY **

Furnishing :

- robust electric motor belt sander
- strong drive motor
- including sanding belt
- including workpiece stop
- manually adjustable deflection pulley
- Machine base
- Connection cable + plug
- Instruction manual in German

Machine attributes

width of the strips:	45.0 mm
band length:	850 mm
band speed:	8.0 m/sek.
voltage:	230 V
total power requirement:	0.18 kW
