

## ALZMETALL AB 36 / SV (1125-3100032)

**Control type**  
konventionell

**Construction year**  
1999

**Machine no.**  
1125-3100032

**Make**  
ALZMETALL

**Location**  
48683 Ahaus

\*\* well-maintained condition (!!)

\*\* current new price approx. 18.000 Euro

\*\* special price on request

### Equipment:

- robust pillar drill (V-belt)
- electromagnetic feed clutch = spindle feed
- \* with overload protection and electrical handle cross circuit
- mushroom pushbutton (latching) for EMERGENCY STOP, in the front panel
- electric stepless speed adjustment
- Digital speed display
- clockwise rotation of the drill spindle
- pole-changing drive motor
- Infinitely adjustable drilling depth stop
- Work table with 2x T-slots - height-adjustable
- Operating instructions in German

## Machine attributes

|                                    |                            |
|------------------------------------|----------------------------|
| bore capacity in steel (diameter): | 36.0 mm                    |
| bore capacity in cast iron:        | 45.0 mm                    |
| throat:                            | 300 mm                     |
| bore stroke:                       | 160 mm                     |
| :                                  | 4                          |
| speeds:                            | 120-900 / 240 - 1780 U/min |
| column diameter:                   | 145 mm                     |
| table-size:                        | 615 x 460 mm               |
| feed:                              | 0.1 / 0.2 / 0.3 / 0.4 mm/U |
| total power requirement:           | 1.75 / 2.5 kW              |
| weight:                            | 440 kg                     |
| dimensions:                        | 1200 x 800 x 2300 mm       |
