

EUROMAC MULTI 220/6 R (1125-9397097)

Control type
konventionell

Construction year
1993

Machine no.
1125-9397097

Make
EUROMAC

Location
Ahaus

** current new price approx. 25.000 euros

** good condition (!!)

** special price on request

Equipment:

- electro-hydraulic notching machine
- multi-function machine with 2x work stations
- * 1x notching, 1x unit for radius rounding
- * including radius punching tools
- manual angle adjustment 30 - 140 degrees
- * 2x handwheels for angle adjustment

- 2x new angle stop, adjustable
- automatic cutting gap adjustment
- 1x freely movable foot switch
- connection cable + 16A plug

- cutting performance:

* 6.5 mm to 60° ST

- * 5.0 mm to 60° VA
- * 4.0 mm to 30° ST
- * 3.0 mm to 30° VA

Machine attributes

plate thickness:	6.5 mm
thickness at "Niro-steel":	5.0 mm
angle adjustable from - to:	30 - 140 Grad
no. of strokes:	ca. 50 Hub/min
table::	950 x 1030 mm
blade length:	220 x 220 mm
total power requirement:	4.0 kW
weight:	800 kg
range L-W-H:	1100 x 950 x 1280 mm
