

FEIN Balancer 22 bis 32 kg (1125-3540046)

Control type
konventionell

Construction year
2007

Machine no.
1125-3540046

Make
FEIN

Location
49779 Niederlangen

Technical data:

Cable extension: 2000 mm

Lifting height: 2000 mm

Load capacity: 22 - 32 kg

Weight: 13.5 kg

Description:

- Secure suspension of device and supply cable
- In a 'weightless' state
- Constant tensile force
- Tear-resistant steel cable
