

GRUSE ELS 1-10-6 (1125-9531733)

Control type
konventionell

Construction year
2006

Machine no.
1125-9531733

Make
GRUSE

Location
48683 Ahaus

** current new price approx. 5.000 euros

** special price on request

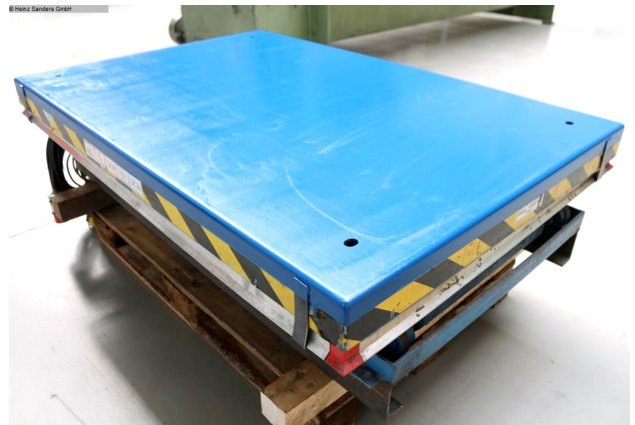

Equipment:

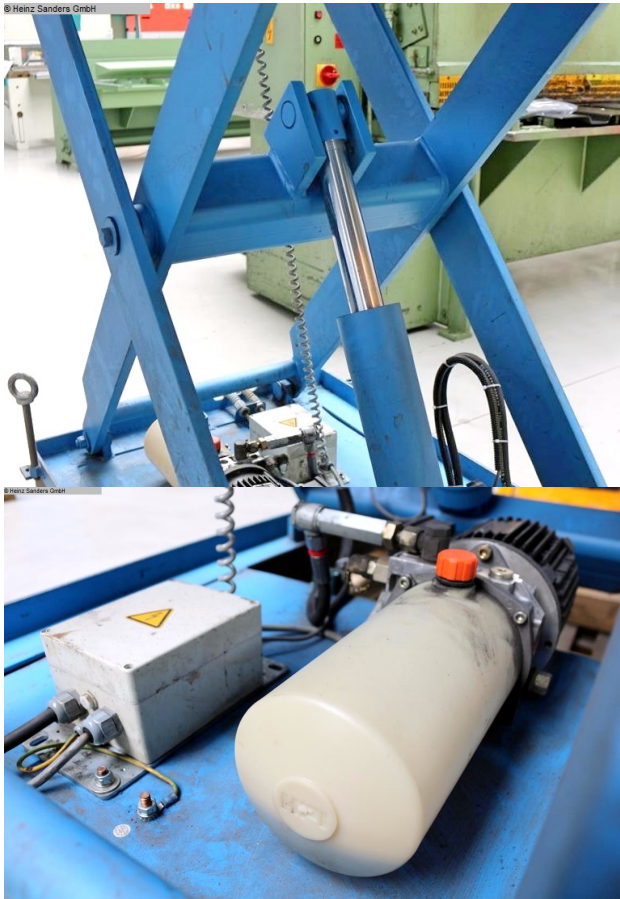

- Robust electro-hydraulic scissor lift table
- for ergonomic working at an optimum working height
- with closed platform
- stepless lifting and lowering
- All-round safety rails
- Placement: free-standing on the floor or as a pit installation
- remote control

Machine attributes

weight max. in kg:	1000 kg
table length:	1500 mm
table width:	1000 mm
height over floor:	200 mm
stroke height:	200 - 1200 mm
stroke:	Zeit ca. 15 sek
total power requirement:	2.3 kW
weight:	330 kg
