

IBARMIA IBERDRILL B 50 (1125-8104209)

Control type
konventionell

Machine no.
1125-8104209

Make
IBARMIA

Location
Niederlangen

Furnishing:

- autom. Spindle feed by electromagnetic clutch
- Switch for right / left rotation
- Hardened and ground steel gears
- Hand wheel for manual fine feed
- Gear lubrication by autom. Oil pump
- Coolant device in the machine base
- machine light
- rotating work table
- Push button for EMERGENCY STOP
- Height-adjustable chip protection hood with microswitch
- CE marking

Machine attributes

Boring power:	50,0 mm
bore capacity in cast iron:	60,0 mm
bore stroke:	230 mm
thread dia.:	bis M 36 M
table surface area:	550 x 550 mm
throat:	400 mm
turning speeds:	54 - 1032 U/min
morse taper:	MK 4
feed:	0,1-0,2-0,3-0,4-0,5-0,6 U/min
T - slots - width:	30 mm
column diameter:	200 mm
engine output:	4,0 kW
weight:	720 kg
range L-W-H:	600 x 1600 x 2450 mm
