

KUKA KR20 R3100 (1125-3450029)

Control type
Sonstige

Construction year
2021

Machine no.
1125-3450029

Make
KUKA

Year of construction 2020 **demonstration machine, as new**

Easy ARC 01.02 FD-B6 Welbee P500L welding robot station
MIG / MAG / water-cooled / torch RTW5000H / welding robot type FD-B6
with welding table 2000x1200mm
Hole diameter 28 mm

The mobile welding cell for the craft business
Setting range MIG / MAG 20 - 500 A
Steplessly adjustable switching levels
Duty cycle at max.current 40 ° C 50%
Current at 100% ED 40 ° C 410 A
Wire feed speed 0 - 22 m / min

Machine attributes

current capacity:	25 kVA
number of controlled axis:	6
workpiece weight:	10 kg
weight of the machine ca.:	1,55 t
