

KUNKEL MB 10 (1125-9386025)

Control type
konventionell

Construction year
2012

Machine no.
1125-9386025

Make
KUNKEL

Location
Ahaus

Equipment:

- Robust electro-hydraulic horizontal bending machine
- Large worktable (1000 x 600 mm)
- Hydro-mechanical stroke limiter
- Continuously adjustable punch stroke
- Side-mounted, one-handed operation
- 1x bending tool set
- * Reversible die with 80/50/40 mm opening
- Control cabinet - front

Machine attributes

pressure capacity max.:	10.0 t
bending capacity - flat iron:	ca. 100 x 12 mm
stroke:	0 - 150 mm
daylighth:	ca. 100 mm
assembly distance:	ca. 200 mm
print area:	0 - 100 kN
stroke speed:	max. 0.6 m/min
table surface area:	1000 x 600 mm
work height max.:	845 mm
operating pressure:	max. 260 bar
engine output:	1.1 kW
weight:	400 kg
range L-W-H:	1100 x 800 x 1000 mm
