NKO PASOVEC 150/2 (1125-823855)

Control type
konventionell

Machine no.
1125-823855

Make
NKO

Location
Ahaus

** Stable belt grinding machine with 3.0 KW motor
** with 2x tape speeds
** Also very suitable for grinding STAINLESS STEEL

The free-standing belt sander PÁSOVEC 150 is a 2-speed machine for efficient and at the same time economical sanding of surfaces, edges and Rounding of parts made of carbon and stainless steel, aluminum and other non-ferrous metals such as wood and plastic. The machine has a total two workstations for contact and face grinding. The height of the grinding arm can be adjusted to the operator's body proportions. The machine has an integrated preparation for the suction connection ex works. The Changing the sanding belt is just one thing thanks to the lever tensioning mechanism of a few moments.

further description :
- Good grinding performance due to high belt speed
- Quick adjustment for horizontal and inclined position
- Continuous plane grinding surface for optimal grinding of long workpieces
- Universally applicable for grinding edges, surfaces and cylindrical grinding

- Graphite coating on the plane grinding surface increases the sliding properties of the sanding belt

Scope of delivery :
- Sanding belt 150 x 2000 mm, 80 grit
- Hinged protective screen
- Grinding and support table
- Workpiece stop
- Dust extraction nozzle
- Separate off button
- Machine base

Machine attributes

width of the strips:	150 mm
band length:	2000 mm
band speed:	14.5 + 29.0 m/sek
grinding width:	460 x 150 Plantisch mm
Dust suction hood:	100 mm
total power requirement:	3.0 kW 100% ED
weight of the machine ca.:	90.0 kg
range L-W-H:	1080 x 440 x 1000 mm
